Also, on March 11-13 of this year, we sponsored the National Conference on Family Violence: Health and Justice in Washington, DC, which focused on how medicine and the law can work effectively together to address family violence. We have presented testimony many times before the Congress on the subject of domestic and family violence, most recently before the Senate Special Committee on Aging this past June. We are on the front lines trying to reverse this epidemic. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
