47 North, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. As a librarian, Heather Radcliffe knew that the word nirvana connoted peace. But Nirvana, the fabled old mansion on ghost-ridden Mystic Island, held no peace for Heather. For her, it meant secrecy and deceit. The legends of the tiny island off the coast of Georgia included an old Indian medicine man s curse on all intruders. And no one was more of an intruder than Heather. Supposedly there to catalogue a collection of books, she had actually come to expose the young owner of the island for the ruthless, heartless villain that he was. It was a mission filled with danger, bone-chilling shocks, and--if her true purpose were discovered--perhaps even death!.
