

A Simple Interpretation of the Kumarajiva's Diamond Sutra (Paperback)

Filesize: 4.91 MB

Reviews

*Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).
(Roosevelt Rohan)*

A SIMPLE INTERPRETATION OF THE KUMARAJIVA'S DIAMOND SUTRA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I am from Taiwan. I got my PhD in Physics at University of Colorado at Boulder in 1984. I have been trying to decode the Diamond Sutra since 1988. I did not have luck until October, 2013. This book is my first edition in English. I belong to the same branch of Zen, Hui-neng, Buddhism as late D.T. Suzuki, late Steve Jobs, Phil Jackson, and one of the Asia richest man, Sir Ka-shing Li. This branch of Zen Buddhism believes that everyone's Buddha nature can be displayed through daily life. The fundamental belief of my Zen Buddhism is that everyone's Buddha nature, self nature, is embedded with the universal law of cause and effect. The strong part of my Zen Buddhism is that our Buddha nature, self nature, has unlimited capabilities. Every record that can be written, spoken, and seen will be broken by somebody else through his or her Buddha nature. Another belief which separates my branch of Zen Buddhism from other religions is non-attachment. Non-attachment is to avoid conflict of interest to begin with. It is fair for all beings. My branch Zen Buddhism believes that Everyone's Buddha nature can be displayed by thinking and actions. If you do voluntary work without attachment of benefiting yourself, then your Buddha nature, self nature, will be displayed. If you do voluntary work with attachment of benefiting yourself, then your Buddha nature, self nature, will not be displayed. Jeryuan Luo Sunnyvale, California, June, 2016.
