Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. All sorts happened to Adam and Claude. Their stories are told in a novel way, full of satirical anecdotes and a thousand character cast. One moment they live in a palace, the next moment they are on the front seat of the Austin Hailey parked outside the old castle in the Yorkshire Hills, on a smart phone video call to Justin B. There was a time Adam did consensual cart-wheeling for the old fox called Dick T whilst his parents sat sipping white wine at their Gower Peninsula seaside rendezvous table. Stories of the night Claude rejected the marriage proposal from the Queen-mother-as-consort-in-waiting and she ordered his abduction by Cardinal Sin. You will read tales of Mister Skevvinger and the overweight camel choir, Sir Beckinghamshire cruising through London s East End streets for an invite to the post Connaught Square dinner parties. There even was a time the Koople King and Queen hosted Monday night gay royal dinners at the Palace and called Madonna whilst in Istanbul. In the end you will hesitate, even reverberate, but you most certainly will fall satin slipper soft in love with the two royal birds called Adam and Claude.
