Roland finds himself hiring and firing the on-air talent and being physically attacked by disgruntled staff. He reluctantly masterminds a nightly viewer competition and manages to mislay the 50,000 prize in gold. He also becomes an unwitting player in the biggest news story of the year. But things aren't always how they look in the world of television and Roland begins to wonder if he's just a pawn...

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which it actually altered me, change the way in my opinion.

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
