

Mastering Self-Motivation: Preparing Yourself for Personal Excellence (Paperback)

By Dr Michael J Provitera

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Forty years after motivational theories were embraced by academics, people still want to become more motivated, yet motivation is lacking in many people today. This means that people are still sabotaging and limiting themselves when it comes to the things that are most important in their lives. In Mastering Self-Motivation, Michael Provitera provides helpful suggestions, guidelines to follow, explanations on what you need to do today to begin living a better tomorrow, and offers inspirational stories coupled with solutions that can empower you to achieve personal excellence. Provitera is a motivational and organizational behavior expert and management consultant to corporate clients. In 2013, he gave a motivational keynote presentation at Barry University in Miami Florida in which he described how people unintentionally hold themselves back in their lives. He encourages people to be the front runner in everything they do by showing how geese fly in the V-format and are able to soar with 70 percent less effort than flying solo, to seek a better life for themselves, to take calculated risks in a word he coined Motrapreneur, and pursue their career of...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
