Raw Dog Screaming Press, United States, 2014. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. (Publisher s Note: The author failed to fold my laundry in the proper manner, so I am letting the cat out of the bag-these are not actual biographies. They are closer to maps of the author s ego than they are texts about the namesakes adorning their covers. So, if you want to read about Freud or Douglass or Hitler I suggest you do so elsewhere.) In this unofficial, unauthorized sequel to Peter Gay s groundbreaking Freud: A Life of Our Time, D. Harlan Wilson reveals a side of the man that has proven too disturbing and risque for past biographers. Based on newly recovered diaries, microfiche, letters, and secret tape recordings, Freud: The Penultimate Biography recounts the daring sexual exploits of the father of psychoanalysis. Once considered to be impotent by the age of forty, if only according to the written testimonies of his wife, Freud is now revealed as an uncompromising flaneur, the figurehead of masculine sexuality and phallic prowess that everybody knew he was. It is a dangerous and at times shocking chronicle that puts the very nature of desire on trial.
