Harmony Press (PA), United States, 2014. Paperback. Condition: New. Kate Lallement (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Recurring throughout Ruddy s The Sticks of Inquiry is a return to essential questions that, throughout history, have run the gauntlet of various academic disciplines and are here brought back home to a domestic, everyday application. Man s relationship to his immediate surroundings - his work, his family, the art he appreciates - is explored accessibly through language that reveals observational influences from Frank O Hara s whimsical pondering to Tu Fu s concrete documenting. Ruddy isn t afraid to ask and, often, indulge the simple questions, making a case for the precise, immediate, and, yes, simple, moment being the ultimate thing that matters beyond all else, academic or otherwise. Ruddy s speakers rarely demand any more of their reader than listening, creating a comfortable relationship that allows themes to be digested at the reader s pace and on the reader s terms.
