Excerpt: .be, c contains a scene between Julia and her waiting-woman Lucetta, J which shews the poet playing, more suo, with many terms of the musical art; such as tune, note, song, setting to music, burthen, sharp and fiat, concord, descant, mean and base; the term mean implying the intermediate part between the treble and the tenor. All this is in the second scene of the first act, and we refer to it as a remarkable instance of a custom of the olden times. We have reserved, as our last illustration from Shakespeare, his Winter s Tale; because in that play he has given us, in the pedlar Autolycus, a life-like picture of the English ballad-singer and vendor, of his own time. He is introduced singing the ballad-- When daffodils begin to peer --which contains allusions to the sweet birds and how they sing. A...
