Sourcebooks, Inc, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. From Michael Dobbs, author of the book that inspired the smash hit Netflix series House of Cards, Churchill s Triumph transports us to the end of WWII as the three most powerful men on earth-Winston Churchill, Franklin D. Roosevelt, and Joseph Stalin-gather in what will later become known as the Yalta Conference to discuss the possibility of worldwide peace. Despite their shared goals, these supposed allies will lie, cheat, and deceive each other in order to secure their respective places in history. Dobbs takes you behind the scenes and brings you into the minds and hearts of the big three leaders: the dominating and seemingly all-powerful Joseph Stalin, with the largest army, and the mission of expanding the Soviet Empire; an ailing and fragile Roosevelt, willing to make whatever compromises he felt he had to in order to bring Stalin and Russia into the final campaign against Japan; and Churchill, the least powerful of the three, but the most far-sighted, who could not count on Roosevelt as his ally, and could not tame the avaricious Russian bear, determined to gobble up the nations around and beyond it. Like a fly on the wall of history, the reader becomes a hidden witness to these monumental negotiations, witnessing negotiations that would betray the heroic struggle of millions who died and fought in the Great War. Acclaimed author Michael Dobbs allows the reader to eavesdrop on the world s most powerful men at a crucial point in modern history. Praise for Churchill s Triumph by Michael Dobbs, bestselling author of House of Cards, the book that inspired the Netflix series starring Kevin Spacey: His portrait of Churchill is as masterly as ever: a wonderful compound of bluster, sentimentality, grumpiness...
