HarperCollins Publishers Inc, United States, 2006. Paperback. Condition: New. New edition. Language: English . Brand New Book. Former U.S. Senator Quintrell is dead. His son, New Mexico s governor, is preparing his run for the highest political office in the land. And dark family secrets are about to explode with the devastating force of a Southwestern earthquake. An eccentric Quintrell aunt has invited genealogist Carolina Carly May to their Taos compound to compile a record of the illustrious family. But digging into the past is raising troubling questions about a would-be president s private life . . . and the grisly street crime that left his drug-addicted sister dead. As a dark world of twisted passions and depravity slowly opens up before Carly, there is no one whom she dares trust -- perhaps least of all Dan Duran, a dangerous, haunted enigma who s tied to the Quintrells history. But she will need an ally to survive the terrible mysteries a father carried to the grave -- because following the bloodlines of the powerful can be a bloody business. And some dead secrets can kill.
