Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A practical, real-world how to guide for starting your own business by a man who s done it successfully dozens of times - Chris Gattis, and the foreword is by Michael E. Gerber, small business guru and author of The E-Myth Revisited. Business Start-up 101: From Great Idea to Profit.Quick! answers the question: How do I start a small business? There are many books on the market for business owners, but most are for large businesses or those seeking venture capital funding. Most small business owners are looking for practical, easy to understand advice on how to get started, without all the management theory. Business Start-up 101 walks entrepreneurs through the entire process of starting a business. From developing a business model, testing viability and writing a business plan to opening the doors. Whether you need to know how to start a home business or a high tech venture; whether you re looking for a California business startup or one in Maine, this book will show you how because the business startup basics are the same. Forget the theory and...
