

Layman s Universe

By MR Kenneth Smith

Createspace, United States, 2014. Paperback. Book Condition: New. large type edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is presented as a Large Print version of Annex (2) contained in Life around Black Holes. The title sort of gives the game away but it was written, in the main, some time ago prior to such revelations as the probability of Black Holes in all galaxies and the Dark side extravaganza (he would term it) and this tends towards its credibility as an option to challenge certainly some of the bizarre proposals which abound our media sources. It gives one man s viewpoint on many aspects of that which encompasses us all, using logic and some speculation together with a dose of the known facts, in the mix, so to speak. To wet your taste buds keep in mind that The Dark Side is not just a Star Wars term it is also as yet, a figment of the imagination in relation to Dark Energy; Matter and Flow, which appear to have been sort of plucked out of space to explain deviations from physics norms. The Author (and probably you) believes that...
