

L Idee de Force Et La Philosophie Dynamiste (Paperback)

Filesize: 1.82 MB

Reviews

These kinds of ebook is the ideal book offered. It is probably the most incredible publication i have got study. Your lifestyle span will likely be convert once you total looking at this pdf.

(Lucio Breitenberg)

L IDEE DE FORCE ET LA PHILOSOPHIE DYNAMISTE (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Dans un travail precedent, nous avons etudie un groupe de penseurs chez lesquels l idee spiritualiste raffinee, subtilisee, vaporisee, au point d etre quelquefois a peine l ombre d elle-meme, ne parait subsister qu a titre de tendance morale et religieuse 1. Nous voudrions etudier aujourd hui un autre groupe d ecrivains, plus regles, plus soucieux de la clarte et de la precision, plus fideles a la tradition, et qui toutefois ont cherche aussi a rajeunir et a elargir la doctrine spiritualiste, a en tirer non-seulement une philosophie de l esprit, mais encore une philosophie de la nature. Ceux-ci relevent de Leibniz, et leur principe est l idee de force, que ce grand philosophe a introduite dans la philosophie et dans la science. Tout etre est actif par essence. Ce qui n agit pas n existe pas, quod non agit, non existit. Or tout ce qui agit est force: tout est donc force ou compose de forces, et cela est vrai des corps comme des esprits. L essence de la matiere n est pas l etendue inerte, comme le croyait Descartes, c est l action, l effort, l energie. De plus le corps est compose, et le compose suppose le simple. Les forces qui composent le corps sont donc des elements simples, inetendus, des atomes incorporels. Ainsi l univers est un vaste dynamisme, un savant systeme de forces individuelles, harmoniquement liees sous le gouvernement d une force primordiale, dont l activite absolue laisse subsister en dehors d elle l activite propre des creatures et les dirige sans les absorber.
