Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Poems and Literary Prose of Alexander Wilson, the American Ornithologist, Vol. 1: For the First Time Fully Collected and Compared With the Original and Early Editions, Mss, Etc;; Edited, With Memorial-Introduction, Essay, Notes, Illustrations, and Glossary; Prose Difficulties Overcome: Scenes in the Life of Alexander Wilson, the Ornithologist. By C. Lucy Brightwell, author of Heroes Of the Laboratory. London, 1861. 12mo. Pp. Iv. And 160. In the preparation Of the present edition of the Poems, I have, in every case, reproduced the original text from the editions of 1790 and 1791, and contemporary British and American periodicals and broad-sheets (e. G., Watty and Meg and The Shark, or Lang Mills Detected, and those Of the same group, appeared as chapbooks or broad-sheets). This recurrence to the Author s own text has enabled me to correct very many mistakes in every way of the editions Of 1814 and 1816, and onward to 1845, and all. All honour is due to the good and venerable thomas crichton for his services as Biographer, and in part, Editor of the Poems Of 1816. He cherished the memory of his friend wilson with peculiar tenderness and now, his own is a pleasant one to those who can still recall him. The 1845 edition was a well-meant effort to give a complete edition; but; its anonymous Editor must have been scantily furnished, as his errors literally swarm, and are Of the most elementary and illiterate kind. But, however uncritical, thanks must be tendered for the Belfast edition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
