Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Germaine Welch)

THRESHERPHOBE

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Thresherphobe, Mark Halliday, Classic Blunder - After a noticeably happy day I sleep - and wake at dawn to a sudden sense of having erred. What have I done? I've made the classic blunder the blunder of living onward forwardly toward some disappointing future - what a fool - I should have lived not forwardly but sideways or circularly to stay in days like (what now has to be called) yesterday. Instead I've allowed the sun already to start pouring through the curtains the diminishment and inferiorities of a crude and unsentimental next day. To keep that train from leaving the station must call for some incredible level of concentration. In his sixth collection, Mark Halliday continues to seek ways of using the smart playfulness of such poets as Frank O'Hara and Kenneth Koch to explore life's emotional mysteries - both dire and hilarious - from the perpetual dissolving of our past to the perpetual frustration of our cravings for ego triumph, for sublime connection with an erotically idealized Other, and for peace of spirit. Animated by belief in the possible truths to be reached in interpersonal speech, Halliday's voice-driven poetry wants to find insight - or at least a stay against confusion - through personality without being trapped in personality. History will leave much of what we are on the threshing floor, Halliday notes, but in the meantime we do what we can: let posterity (if any) say we rambled truly.
