

## The Pentagon and the Presidency: Civil-Military Relations from FDR to George W. Bush

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.*

## THE PENTAGON AND THE PRESIDENCY: CIVIL-MILITARY RELATIONS FROM FDR TO GEORGE W. BUSH

[DOWNLOAD PDF](#)

University Press of Kansas. Paperback. Condition: New. 504 pages. Dimensions: 8.8in. x 6.0in. x 1.2in. While presidents have always kept a watchful eye on the military, our generals have been equally vigilant in assessing the commander-in-chief. Their views, however, have been relatively neglected in the literature on civil-military relations. By taking us inside the military's mind in this matter, Dale Herspring's new book provides a path-breaking, utterly candid, and much-needed reassessment of a key relationship in American government and foreign policymaking. As Herspring reminds us, that relationship has often been a very tense, even extremely antagonistic one, partly because the military has become a highly organized and very effective bureaucratic interest group. Reevaluating twelve presidents—from Franklin D. Roosevelt to George W. Bush—Herspring shows how the intensity of that conflict depends largely on the military's perception of the president's leadership style. Quite simply, presidents who show genuine respect for military culture are much more likely to develop effective relations with the military than those who don't. Each chapter focuses on one president and his key administrator—such as Robert McNamara, Henry Kissinger, and Donald Rumsfeld—and contains case studies showing how the military reacted to the president's leadership. In the final chapter, Herspring ranks the presidents according to their degree of conflict with the military: Lyndon Johnson received exceedingly low marks for being overbearing and dismissive of the armed forces, further aggravating his Vietnam problem. George H. W. Bush inspired respect for not micromanaging military affairs. And Bill Clinton was savaged both privately and publicly by military leaders for having been a draft dodger, cutting Pentagon spending, and giving the Don't Ask, Don't Tell tag an unnecessarily high profile. From World War II to Operation Iraqi Freedom, Herspring clearly shows how the nature of civilian control has changed during the past half century. He...
