Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

BLINDSIDED (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Former Australian rugby union legend and World Cup winner, now acclaimed television sports pundit, on his glittering career in the game - and how close he came to losing his life. Few players in the history of the game have had as illustrious a career as Wallaby fly-half and captain Michael Lynagh. In an era when Australia took the rugby world by storm with their glittering array of mercurial talent, in chief orchestrator and courageous captain Lynagh they had a pivotal figure at fly-half who shaped their style of play and at the same time played a major ambassadorial role in the world game. Yet fast forward to that April day in 2012, as Lynagh lay partially blinded in intensive care at the Royal Brisbane Hospital, his life hanging by a thread following a major stroke, his wife and three young boys on the other side of the world. The day that defined the rest of his life. Lynagh s story is one of corruscating highs and crippling lows. It s the personal tale of a sportsman playing to the extremes of his profession, but also a human tale of surviving debilitating trauma and finding a new meaning to life.
