Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

NO-NONSENSE GUIDE TO ISLAM

DOWNLOAD

New Internationalist Publications Ltd. Paperback. Book Condition: new. BRAND NEW, No-nonsense Guide to Islam, Meryl Wyn Davies, Ziauddin Sardar, How can Islam reconcile itself with the 21st century? This "No-Nonsense Guide" explains the Islamic worldview, examining the Qur'an and Islamic law (sharia), Islam in history, and Islam's relationship with the West. The authors analyze the struggle within the faith for a more humane and holistic interpretation of their religion, examine issues surrounding women rights, the absence of democracy in some Muslim countries, and economic development. This is a balanced portrayal of 'real Islam', looking beyond the common perceptions and polemical debates. It shows what Islam has achieved and shows why a better understanding of Muslims is needed throughout the world. But, it also explains why Islam needs to make itself more relevant by showing it can create just, tolerant and peaceful society, and explores the steps for reform.
