Vonda Knox, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The young girl pulled her bed-covers up to her chin. Her eyes were wide with anticipation and small beads of perspiration collected on her forehead. The room was dark, and the child could not see the clock which announced the countdown. The consistent tick-tick-tick-tick seemed to grow louder with each passing moment. It was coming. It always came. There was no place to hide. She didn't know how to run from her own life, so she waited. Anticipation wrapped tightly around her shoulders; the weight of impending doom. When it became unbearable, she guiltily longed for the screams. Another Me, a Magical Realism Novel, is a rapid fire, emotionally riveting journey through a maze of family turbulence, psychological anguish, blissful love, and the healing power of self-realization.
