Allison & Busby. Paperback. Book Condition: new. BRAND NEW, The Care and Management of Lies, Jacqueline Winspear, A new, stand-alone novel from New York Times bestselling author Jacqueline Winspear. By July 1914, the ties between Kezia Marchant and Thea Brissenden, friends since girlhood, have become strained - by Thea's passionate embrace of women's suffrage and by the imminent marriage of Kezia to Thea's brother, Tom, who runs the family farm. When Kezia and Tom wed just a month before war is declared between Britain and Germany, Thea's gift to Kezia is a book on household management - a veiled criticism of the bride's ordinary life to come. Yet when Tom enlists to fight and Thea is drawn reluctantly onto the battlefield herself, the farm becomes Kezia's responsibility. Each must find a way to endure the ensuing cataclysm and turmoil. As Tom marches to the front lines and Kezia battles to keep her ordered life from unravelling, they hide their despair in letters filled with stories woven to bring comfort. But will well-intended lies and self-deception be of use when they come face-to-face with the enemy?
