Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Many Christians want to grow closer to God, and they know they need to spend time alone with him-yet they aren't sure how to go about it. Morning by Morning: A Quiet Time Guide for Beginners is not only a daily guide to Bible reading, meditation and prayer, but also a how-to for those who want to begin having a quiet time with God, or who want to make that time more productive. It includes spaces for readers to write what they are observing and hearing from the Lord through the day's Scripture and their conversation with him, as well as their plans for putting into action what they've learned that day. The book teaches four easy methods that can help make quiet times spiritually nourishing and life-changing. In the process, readers become grounded in the basics of salvation, spiritual growth, and how to live out their faith in Christ. Written in clear English with international readers in mind, it includes sections on How to Find a Church and How to Find a Bible. Morning by Morning can be helpful for any Christian who feels a need for structure or guidance in this important aspect of their spiritual growth.
