Createspace, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Fourth Light describes world events in the near future from the viewpoint of a member of the small group of decoders of the hieroglyphics in which the ancient Sacred Tablets were written. Through their decoding work they discovered that a tri-verse was created millennia previously with mankind at its centre for the specific purpose of a highly advanced alien race intent on improving its own society of super-powerful immortal beings. As the story develops it covers key events in mankind s ancient history together with its interaction with its alien creators. This history is brought right up to date with the decoding activities of the Fourth Light and continues into the near future which is prophetically uncovered in the process. The prophecy portrays the destruction of the Earth through a combination of mankind s unsustainable governance of its home planet together with the surreptitious invasion of dissident alien body snatchers. This represents the breaking of the egg shells dictated by the all-powerful king of the alien race as necessary to enable the future salvation of humans and aliens alike. During the mayhem that exists on Earth during these last days a massive fleet of galactic alien super-cruisers rescue half of the world s human population and transport them to another Goldilocks planet already prepared in another solar system in the Milky Way. This will become mankind s home for a millennium where he will become a strong and happy race under the benign tutelage of his alien creators. The members of the decoders, the Fourth Light, are given the responsibility of leading their race into and through that future millennium. The dissident aliens together with the less...
