By Babette James

Chara Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Seeking peace while he decides between prestigious job offers, burned-out lawyer Matt Powell rents his boyhood vacation home at the Jersey shore on a nostalgic whim. However, discovering the lovely widow next door is his childhood best friend, Katie Vanburen, complicates everything. His old love for her hits hard, but this time around his feelings are anything but innocent. It's decision time: the high-profile career he's earned-or a life he never dreamed possible loving his girl next door. Twenty years ago, Matt broke Katie's teenaged heart when he vanished from her life after his parents divorce. She grew up, buried her childish dreams, and moved on. New dreams shattered with her unfaithful husband's death, but now she's a successful website designer and owns her beloved shore house. She's delighted to renew their friendship, but unready to trust her heart again-even if Matt's kisses tempt her beyond reason. But can her cracking defenses hold when Matt argues his case for love so eloquently, in bed and out?.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
