Amicus Ink, 2017. Paperback. Condition: New. Daniele Fabbri (illustrator). Language: English . Brand New Book. New titles in our popular animal series introduce young readers to five dinosaur species plus a family of flying prehistoric reptiles (the Pterosaurs). In each book, a child explorer travels back in time to meet these incredible animals and shares his or her experiences, which are based on fossil finds. Delightful illustrations and carefully crafted text help the stories come alive, making these books both educational and entertaining. A young child adventures back in time to 80 million years ago to meet the Pteranodon, one species of pterosaur, and learns what they ate, how they laid eggs, and how they lived with dinosaurs. This illustrated narrative nonfiction title includes a map of fossil findings, glossary, and further resources.
