

On! the Future of Now: Making Sense of Our Always On, Always Connected World

By Crowdcentric Media

Lulu Publishing Services, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.We re living in an age of unprecedented human connectivity. Technology unites and interrupts us; it relays news, depicts worldwide photos, and shrinks the distances between our relationships. We tune into events elsewhere, witnessing the experiences of others unfolding in real time. Our communications paradigm has shifted and, with it, the interactions of our immediate environments have evolved. Published in partnership with Social Media Week and Nokia, curated by Toby Daniels and Craig Hepburn and edited by Caroline McCarthy, On! The Future of Now is a collection of essays and personal stories from leading thinkers in tech, media, and entrepreneurship that provides insight into how social media and technology have impacted their lives and their work. Proceeds from the sale of On! The Future of Now will go to support charity: water s clean water projects in the developing world.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
