Paradigm (Hardback)

By Robert D. Taylor

Savas Beatie, United States, 2006. Hardback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book. What is tomorrow s Wall Street Journal worth to you today? Where is the line between reality and fiction? Are the financial markets really predictable? Does an ancient artefact hold the key to how some of the world s wealthiest families made their fortunes? When a mysterious granite and cypress Egyptian box is found hidden away in a secret room in the palatial Biltmore Estate, twin scientists Alex and Nicholas Shepard work to unlock the secret of its intricate dials, gauges, crystals, and carvings. What they discover has the potential to make them rich beyond their wildest dreams. But it could also collapse financial markets, bankrupt corporations around the globe, and destroy many of the world s most powerful families. As the twins quickly find out, people will not only kill to make money, but will kill to keep it. What begins as a simple scientific experiment dabbling in the stock market quickly descends into a nightmarish intrigue of murder, deception, and mystery. When one Shepard brother is killed, the surviving twin and his wife find themselves in a desperate gambit...
