Then he sees her texts. Alice was a hopeful young graduate student when, on a beautiful August night, her body was found in the woods. She'll always remember the night she was murdered. And she still suffers the grief and rage that destroyed her family. But what Alice regrets most is the last fight she had with her boyfriend, Enrico--and the fact that she never had the chance to tell him something that would have changed everything. A decade later, Enrico has returned to the provincial town where Alice lived and died, to sell his family home. All he wants is to forget. But then, among the things he left behind, he finds an old cell phone and unread texts sent from Alice's phone. Now, her terrible secrets are about to swallow up everyone she knew, loved, and trusted. For Enrico, discovering them is his only chance to put his lost love--and the demons of his past--to rest.
