## Badlands - A Journey Through the National Park (Paperback)

---

By George Wilson

BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. The author/photographer first visited Badlands National Park in 2010 and has returned several times since drawn to the eroded peaks and windswept vistas within its borders. Here he fell in love with the landscape of the American West. Photographed entirely in Badlands National Park in South Dakota this book offers spectacular views of a breathtaking landscape. Photographers think about light. The direction of light, the quality of light and the color of light. After all, photography is all about light - it is dependent upon light. Badlands - A Journey through the National Park is a collection of Black and White Infrared Photographs assembled into collections based upon the available light: Morning Light, Midday Light, Late Afternoon Light and Storm Light.
