Contemporary Responses to the Holocaust (Hardback)

By -

ABC-CLIO, United States, 2004. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. The murder of six million Jews during the Holocaust is a crime that has had a lasting and massive impact on our time. Despite the immense, ever-increasing body of Holocaust literature and representation, no single interpretation can provide definitive answers. Shaped by different historical experiences, political and national interests, our approximations of the Holocaust remain elusive. Holocaust responses-past, present, and future-reflect our changing understanding of history and the shifting landscapes of memory. This book takes stock of the attempts within and across nations to come to terms with the murders. Volume editors establish the thematic and conceptual framework within which the various Holocaust responses are being analyzed. Specific chapters cover responses in Germany and in Eastern Europe; the Holocaust industry; Jewish ultra-Orthodox reflections; and the Jewish intellectuals search for a new Jewish identity. Experts comment upon the changes in Christian-Jewish relations since the Holocaust; the issue of restitution; and post-1945 responses to genocide. Other topics include Holocaust education, Holocaust films, and the national memorial landscapes in Germany, Poland, Israel, and the United States.
