Geo Art Animals (Paperback)

By Gemma Cooper

Bonnier Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Michael Buxton (illustrator). Language: English . Brand New Book. Get creative with this amazing geometric colouring book that gives colour and copy a modern twist. Instead of squares to colour, Geo Art enables you to colour geometric shapes to create amazing 3D pictures that look like hybrids of pixels and 3D images. A must-have for fans of colouring, fans of detailed pictures and fans of animation. The book is divided into four sections to help you build your Geo Art skills: - In section one, the geometric shapes are larger and the pictures are simpler. Some of the pictures are partially coloured, so you just have to follow the mini finished picture and fill in the colour to complete each picture. - Then in section two, the geometric shapes are smaller, and the pictures have more detail to colour. You must complete the picture with only the outline and the finished picture to help you bring your Geo Art picture to life. - Section three is more challenging but fun! There s a finished picture to follow, but no outline to help you. Each picture is hidden on the geometric pattern...
