Visionlearn Global. Paperback. Condition: New. 132 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. This book was designed to coach, guide, motivate, and prepare college students, adult learners, employees, educators and entrepreneurs to become valuable, successful and wealthy. Whichever path a person may choose to become successful, it is important that he or she understands the significance of investing into his or her life and explore the possibility of owning a business and become financially independent and wealthy. This book provides a step-by-step process on how to become valuable regardless of the career path you may pursue and a step-by-step process on how to make your creative and innovative ideas become a business venture. You will learn what to do while in college or career trade school, what to do after college/trade school and how to become valuable and make a fortune with what you have learned during the personal development process while in college/trade school. This book shares the significance of earning a college degree, professional license, career trade and owning a business in a growing and competitive economy. You will learn how to gain the offer from interviewers during a job and promotion interview. You will learn the significance of understanding the value of your Brand (You) and how to sell it at your price, to interviewers, investors and benefactors of your product and or services. In addition, all the key elements and tools necessary for career development and business venture advancement are highlighted in this life-changing book. Make a change in your life today, after owning this life-changing coaching, motivating and transformational book. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
