World Literary Press. Paperback. Condition: New. 296 pages. Dimensions: 8.5in. x 5.5in. x 0.7in. The Bradens are a series of sexy stand-alone romances. These hot contemporary romance novels feature alpha male heroes and sexy, empowered women. They're flawed, funny, passionate, and relatable to readers who enjoy new adult romance, contemporary romance, and women's fiction. Fall in love with Ty Braden, a world-renowned mountain climber and nature photographer. He's about to take on his toughest assignment yet--winning the heart of the one that got away. Do you believe in fate? World-renowned mountain climber and nature photographer Ty Braden never believed in second dates, much less heart-pounding, steal-his-breath love. But that was before a trip to Saint-Luc, where he met funny, strong, and entrancingly beautiful Aiyla Bell, a ski instructor and fellow photographer whose hopes and dreams, and love of the outdoors, aligned perfectly with his--and whose kisses alone turned him inside out. After spending five magical days and four sweet, soulful nights falling in love, Aiyla couldn't imagine a day without Ty. But when he asked her to go with him on his next assignment, his reputation for having women at his beck and call stopped her from upending the life she'd worked so hard to create. Months later fate steps in when a chance encounter brings Ty and Aiyla together for a five-day wilderness event held in the Colorado Mountains. Their deep, passionate connection is stronger than ever, and Ty is bound and determined not to lose her again. But when tragedy strikes and their worlds are turned upside down, their love faces the truest test of all. When it comes to contemporary romances with realistic characters, an emotional love story and smokin' hot sex, author Melissa Foster always delivers! The Romance Reviews You can always rely on Melissa Foster to deliver a story...
