Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

SHOULDERS TO STAND ON: CHOOSING A LIFE OF EMPOWERING OTHERS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A friend once told me that God gave us two hands - one to reach up and hold on to a mentor who can lead us - the other to reach down to a protege who can follow us. Dustin Delino describes this process very effectively. His vision for training is cutting edge. - JOHN GWATNEY, Pastor of Mission Lighthouse Church in Iuka, Mississippi. A life changing read!! - STEVE DELINO, Pastor of Harvest Time Church in Abbeville, LA Shoulders to Stand On inspires me to remember a very simple principle. Leaders are to equip the saints for the work of the ministry. His practical approach to leadership serves as a gentle reminder of our core purpose-to make disciples. In this way he encourages us to become hundredfold Christians. - DAVID TAYLOR, co-laborer in equipping ministries. How many people have given up on their dreams because their doubts were louder than their courage? How many heroes aborted their mission before they allowed God to show Himself faithful in fulfilling their calling? This book is a challenge to step into others lives and give them the courage to take that first step toward fulfilling their God-given destiny. The most rewarding life is a life devoted to empowering others to become the person God created them to be. Will you accept the call of providing shoulders to stand on?.
