

Yeshua s Inductive Path: What Is the Bible Really Trying to Communicate to Us? (Paperback)

By Larry (Eliyahu) Hefley

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered how there can be so many religions and denominations out there who profess to be based on the Bible and yet have such widely differing teachings? The Bible is a big book. If you look hard enough, you can find verses, pulled out of context, to support just about anything. People like to quote verses to support their religion because of this. They know that most people will not take the time to read the verse in context and see what the major gist of the passage really is. They are preying on the laziness of the average sheep in the pew. They are seeking to justify their own preconceived ideas, rather than seeking to find and conform to God s message. The difference between a true seeker and the average religious follower is the drive to find God s message directly from His Word, and not take for granted that what you are hearing from some dude is right. Are you ready to go directly to the source, and sit down and seriously study that big book called...
