

The Resurrection of the Body: Does the Bible Teach It? (Classic Reprint) (Paperback)

By E Nisbet

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Resurrection of the Body: Does the Bible Teach It? Men inhale their beliefs from the atmosphere which happens to surround them. This is true in every department of thought, e. G., politics, art, religion. were Christians asked to-day for the reasons of their belief in the rising again of the body deposited in the grave, the many (did they answer truly) could only reply, We inhaled it. They did not reach it by thorough, independent, untrammled investigation. The following inquiry seeks to sift the matter to the bottom. Scripture is taken as guide. Scripture is found to teach a wholly other doctrine - namely - from that which has been so generally inhaled, but yet is so difficult for the thinker of to-day, even helped by Christian faith, to adopt. A real rising is taught in the Scriptures, but a rising not drawing heavily on faith (as the inhaled tenet), in no way repugnant to reason, in complete harmony (in the direct line, in fact,) with the advanced scientific thought of the day....
