CSS Publishing Company. Paperback / softback. Book Condition: new. BRAND NEW, Ants Work Best Together: 31 Object Lessons from Nature, Joy Gee, Have you ever been on a picnic and wondered why God created ants? Insects aren't merely pests; they can also teach us spiritual lessons -- and this collection will help you share that knowledge with preschool to elementary young people. After all, children of all ages love learning about the world of creepy-crawlies -- and these fascinating lessons about ants, butterflies, frogs, worms, crayfish, millipedes, and even grass are guaranteed to grab their interest. Sunday school teachers and children's church program leaders will be thrilled with how their classes respond to these tried and true lessons from nature. Even better, this book makes preparation much less of a headache and more of a joy -- with a minimal amount of pre-planning and effort, you can be ready for next week's session. But the best reward of using this book is watching children's faces as they realize that God has a definite plan for everything he created -- including a perfect plan for them!.
