We must take on this task of educating our children about the correct functioning of our governments very seriously; we need to learn from great thinkers of the past and present. A good beginning would be Frederic Bastiat, a French economist, statesman, and author, who wrote an imposing treatise called The Law in the mid 1800 s. This was a time when France was on the verge of converting to complete socialism . He spends considerable time talking about one of the elements of socialism: legal plunder, he asserts that legal plunder is when the law takes property from one person and gives it to another.
