Wilder Publications, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Don't imagine, my dear, that, by what I'm going to say, I mean to exercise the authority of a mother, always ready as you know I am, to listen in my turn to your reasons when I think them good; my intention is not to lay my commands on you, but to give you my advice; it is my heart which speaks to you, and that experience I have had in the world makes me foresee evils which I would endeavor to prevent: you have been at court, I think, not above two months; believe me, 'tis a dangerous situation: the perfidious group of courtiers always look on a new-comer with an eye of malevolence, and soon find out all his imperfections: from the first moment, they condemn him, without pity or remorse; and, which is still worse, their judgment is irrevocable: be guarded against their malice: on the first step we take in life, the rest of it must in a great measure depend: if you once make yourself ridiculous, the world will think you always so: the impression will remain: it is in vain, as you advance in years, to change your conduct, and assume a more serious behavior: you will suffer a long time from old prejudices: even if we do grow better, we are still suspected; and I have often known men pay dearly in their old age for the errors of their youth: have a little regard therefore to the world, and remember you ought to live now more for that than for yourself. Wilder Publications is a green publisher. All of our books are printed to order. This reduces...
