SHATTERED SKIES: BEGINNING S END (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the first book of five in the Shattered Skies series. The current version has been re-edited in response to reader s comments. Torn between the day and the night, Catalina treads a dangerous, deadly trail among the monsters; sex is her weapon. But what happens when her heart takes over and she falls in love with the head monster, the leader of a new breed of Vampire that is chillingly capable of killing her and the humans she loves? Courageous Catalina never had the chance to live in the normal world we take for granted. Instead she was born into a world ruled by the alien Vampires that have taken over the planet. Half the human race is dead, the survivors have been raped and pillaged, and the alien Vampire invaders have bred a nearly indestructible new race, the Dominus, a horrific genetic mix of human and vampire. Catalina and her small family of rogue humans have been led by a brooding Doctor since their infancy. So far, they have managed to live secretly among the new deadly breed of monster, killing when they can. Then Catalina, the black sheep of the family, rejects the subservient female role assigned her, and demands to be a warrior on the front lines with the men, bedding one Dominus after the next, in a world where sex kills. Hell bent on destroying as many of the Dominus as she can, Catalina is drawn to the bed of the King Dominus, Akia. Her emotions flare in his presence and she feels a strange, tumultuous, magnetic pull towards him and him to her, but this star-crossed attraction can only lead to death. But for whom?.
