Random House Publishers India Pvt. Ltd., Noida, India, 2013. Soft cover. Book Condition: New. Failure that dreaded word. The fear of failure curtails growth and inhibits people from taking risks. Getting people to talk about failure, especially their own, is the singularly most difficult thing to do. In Why I Failed, Shweta Punj does just that by getting leaders to share experiences of when they did not succeed and how they turned it around to their advantage to emerge indomitable and stronger than before. This book shows that it is okay to fail as long as you treat failure as a stepping stone for greater things. Page Extent: 224.
