Situational Survival Guide: (FREE Bonus Included) 20 Survival Skills To Face Danger And Protect Yourself And Your Family If you ever find yourself in a situation where you need to protect yourself or your family you will be grateful that you took the time to learn a few basic survival skills. Knowing how to fight is only part of the issue; you also need to know when to fight and when to simply make your escape. There is no shame in escaping from a dangerous situation providing you and your loved ones are safe; in fact, this should be considered a victory in itself. This book will introduce you to the need for self defense survival skills and help you to understand the best approach to adopt in a variety of situation; it covers the following topics: Reason why you need survival skills and basic approaches to prevent the situation developing in the first place. The six basic survival techniques and principles you need to know and understand to help ensure you stay safe in any situation. It is essential to appreciate the importance of these techniques. Seven basic self defense techniques which will allow you to protect yourself and your loved ones from an attack. These techniques can ensure you are able to handle any situation confidently. An additional seven techniques which are more advanced and designed at pre-emptive strikes or responses which will ensure your attacker will stop attacking; allowing you to leave with your loved ones.
