Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The truth is, we are either in good and healthy relationships or we are in relationships that are dangerous, and we must know how to distance ourselves from such relationships. This book promises to show the reader just how powerful relationships can be, whether one is in a healthy relationship or in an unhealthy relationship. I highly recommend that you, the reader, will take the time to examine the contents of this very readable, thoughtful, biblically based, and insightful treasure that Dr. Fowler has taken the time to prepare. No matter where you are in your relationships, I promise you that you will be greatly helped and informed as you prepare to examine your own relationships. Thank you, Dr. Fowler, for your godly wisdom, Spirit-filled exposition, and loving heart, as you have written a wonderful and very badly needed manuscript on relationships in today s culture. As Dr. Fowler stated, Why is [it] so vitally important to understand as we study the power of relationships in our lives? If we do not comprehend our true relationship with God the Father, we are going to find it difficult to become all He has...
