By Audrey Chin

Marshall Cavendish International (Asia) Pte Ltd, Singapore, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In Thong Tran s Vietnam, everyone is at war and no one is who they seem-not his adopted father, a French civil servant, not his Blood Father, the Viet Cong rooster master, not his pro-American journalist tutor. Like them, the boy from the Mekong Delta cannot escape the war. And like them, he too must create shades of himself to survive. But even a conflicted heart needs a home. Thong yearns for a true father and a cause to give himself to. He chooses independence, liberty and happiness-his tutor and the Viet Cong. Tragically, there s no independence, liberty or happiness at war s end. Re-invented as an American aerospace engineer, husband and father-the Viet Cong informer must spend another half a lifetime crossing the Pacific as a defense industry dealmaker before he can set down the bones rankling in his heart.
