Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Gynecological Electro-Therapeutics His book is an attempt to record what I have seen and what others abler than myself have done. If I have originated nothing of great merit, I may, at least, with becoming modesty, claim a share in the great movement of conservative gynaeco logy that has characterized the last few years of the history of surgical progress. In a personal associa tion with Dr. Apostoli the impetus has been found necessary to inaugurate a work such as this. His name will ever be indissolubly linked with gynaeco logical electro-therapeutics. Many of the ablest of to-day carry with them the delightful souvenirs of individual contact with one who was always courteous, obliging, and honest, who is as free from the dross of life as a man can be, and whose extensive observation, patient investigation, and research are sources of wonder. I have had the free use of his clinic, of his records, of his library and instruments since October 1888; and duri: the days of treatment in the Rue de Jour, I I.
