Picassic. Paperback. Condition: New. 164 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. In *No Ones Business*, a courageous young man from Moldova walks for six months to reach a destination he knows nothing about in a new country. He discovers that even prison is a better option than what he left behind. Vadim Turcanu is a world-class entrepreneur, judo champion and philanthropist who shares his unique vision to help us create better life choices. Here, the author shares his real-life story, as it happened when he walked barefoot across Europe, with nothing apart from his dream to be a winner in the game of life. Why do I need to know his story? The answer is simple. You are a migrant. Even if you've never left your comfortable home to seek a better life, even if you've achieved everything that was expected of you, you still have the right to be curious about who you are. And you have the right to know what is available when you open your mind into other people's realities. What have they done that's made them successful? Migration is not moving from one country to another. It's moving from where you are to where you want to be. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
