EURL Pilgrimage Publications. Paperback. Book Condition: New. Brufton Monica (illustrator). Paperback. 60 pages. Dimensions: 8.3in. x 5.3in. x 0.4in. How to explain the mystique and the popularity of The Owl Apparently they out-sell other animals and birds, in ornament shops, by the hundred. When I ask a group of children: Why is it that we call owls wise as I have done countless times, they reply: Their eyes - they can see through the night or They can turn their heads completely round. . . . . They wear spectacles. . . . . They know everything. . . . . Merlin had one. . . . . They fly without a sound. I tell them: Perhaps its to do with all these things but, forgive me, the answer may also lie within the lines of this poem. Afterwards, I shall be giving a hand-written copy away as a prize for the first to answer a riddle. So, make sure you all listen well: Heres a wise owl, for your birthday I think I saw him. . . . . This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
