Dodo Press, United Kingdom, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Walter William Skeat (1835-1912), was an English philologist and fellow of Christ s College, Cambridge which he became in 1860. In 1878 he was elected Elrington and Bosworth Professor of Anglo-Saxon at Cambridge. He completed Mitchell Kemble s edition of the Anglo-Saxon Gospels, and did much other work both in Anglo-Saxon and in Gothic, but is perhaps most generally known for his labours in Middle English, and for his standard editions of Chaucer and Langland s Piers Plowman. He edited numerous books for the Early English Text Society, and for the Scottish Text Society he edited The Kingis Quair, usually ascribed to James I of Scotland, and published an edition (2 vols., 1871) of Chatterton. In pure philology, Skeat s principal achievement is his Etymological English Dictionary (4 parts, 1879-1882). While preparing the dictionary he wrote hundreds of short articles on word origins for the London-based journal Notes and Queries. His other works include: A Concise Dictionary of Middle English (1888), A Student s Pastime (1896) and English Dialects From the Eighth Century to the Present Day (1911).
