LA MISI N DE UMARC (PAPERBACK)

[DOWNLOAD](#)

Palibrio, United States, 2012. Paperback. Condition: New. Language: English,Spanish . Brand New Book ***** Print on Demand *****.Cuando alguien que no posea la informacion suficiente sobre la realidad cubana lea el Planeta Azul puede percibirlo como un relato de Ciencia Ficción, basado en algunos hechos historicos, mitos y leyendas, de forma diferente, quizas mas amena. La forma que adopte para escribirlo estuvo determinada por el proposito de enviarlo a algunos de los concursos literarios que se organizaban periodicamente, tratando de evadir la censura mantenida bajo la consigna totalitaria dirigida a los intelectuales cubanos por Fidel Castro el 30 de junio de 1961 de: dentro de la Revolucion, todo; contra la Revolucion, nada aplicada indiscriminadamente por la burocracia del regimen, que veia enemigos por todas partes. Fue el proposito lo que le dio forma para exponer las causas y la responsabilidad de quienes han dirigido el proceso politico desde sus inicios. He incluido en el libro las situaciones mas recientes relacionadas con la vida de los cubanos. En la actualidad los principales hechos que describo se mantienen y otras han empeorado, a diferencia de antes, ahora son del dominio internacional de la mayoría de los cubanos que residen en la isla. Desde antes de la Independencia de Cuba, durante la etapa republicana, antes y despues 1959, algunos hombres y mujeres han elegido la disyuntiva entre el sometimiento y la libertad total y pagado con sus vidas sus acciones. Les invito a leerlo y ojala lleguen, como llegue yo, a establecer sus propios criterios. Este libro no es roca alanzada por David contra Goliat, es sombra del Guao que da urticaria y se inflama.
