

Small Town Talk: Bob Dylan, The Band, Van Morrison, Janis Joplin, Jimi Hendrix Friends in the Wild Years of Woodstock (Paperback)

By Barney Hoskyns

FABER FABER, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. Think Woodstock and the mind turns to the seminal 1969 festival. But Woodstock itself was over sixty miles away, and already a key location in the rock landscape as a community of brilliant, dysfunctional musicians, opportunistic hippie capitalists, scheming dealers, and freaks dazed and confused by the search for spiritual truth. Central to this was the power and presence of Albert Grossman - manager for Dylan, Janis Joplin, Richie Havens, The Band and Todd Rundgren - who turned Woodstock into his own personal fiefdom. Drawing on first-hand interviews with all the remaining key players, Small Town Talk is a classic study of a vital music scene in a revolutionary time and place.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
